AEVS: Carrier Codes for Other Health Coverage: Medicare Part D Plans

The *AEVS: Carrier Codes for Other Health Coverage* list has been updated to include Medicare Part D Plans servicing California. Medi-Cal receives Medicare Part D Plan information once per month and while it may be the best information Medi-Cal has, it may not be the most accurate. **For the most accurate Medicare Part D Plan information, or for information regarding out-of-state Medicare Part D Plans, providers should contact Medicare at 1-800-MEDICARE (1-800-633-4227). For individual beneficiary enrollment information, pharmacy providers should use an E-1 (eligibility) transaction via the Medicare Part D True Out-of-Pocket (TrOOP) facilitator (presently, NDC Health).**

For a complete *AEVS: Carrier Codes for Other Health Coverage* list, visit the Medi-Cal Web site at www.medi-cal.ca.gov. Click the "User Guides" link under "Provider Resources," then click the "AEVS User Guide" link. Additions and changes are shown in bold and underlined type.

Providers may order a hard copy update of the section by calling the Telephone Service Center (TSC) at 1-800-541-5555. Updates are listed below.
